

Enhanced Due Diligence and Investigations

Who & What

J2 Risk Advisors is led by Tom Jaeb and Paul Jaeb, two of America's most respected private investigators. Since 1991, they have conducted thousands of enhanced due diligence profiles, corporate and legal investigations, and forensic assignments. Their active participation in the nation's leading investigative trade associations, their thought leadership, and global resume, have build a unique network of ultra-skilled professional associates.

Meet Our Team

There is no substitute for expertise. Our team brings decades of hard earned experience, from handling major catastrophes and high-profile cases, working in South America for the DEA, conducting technical surveillance countermeasures for the FBI, and protecting hundreds of families in times of crisis.
